614.6 Registrants residing within the local board area: Grouping of Registration Cards. (a) When the local board has mailed all the Registration Cards (Form 1) of registrants whose places of residence as shown on line 2 of such cards are outside its local board area, it shall then place in separate groups in the manner hereinafter provided all of the Registration Cards (Form 1) of those registrants whose places of residence as shown on line 2 of such cards are within its local board area.

(b) The local board shall place in Group 1 the Registration Card (Form 1) of each registrant whose date of birth as given on line 5 of such card shows that he is within the age group required to be registered by the first proclamation of the President. Each succeeding proclamation added a new age group. The local board shall place in Group 2 the Registration Card (Form 1) of each registrant in the new age group added by the second proclamation of the President, shall place in Group 3 the Registration Card (Form 1) of each registrant in the new age group added by the third proclamation of the President, shall place in Group 4 the Registration Card (Form 1) of each registrant in the new age group added by the fourth proclamation of the President, and shall place in Group 5 the Registration Card (Form 1) of each registrant in the new age group added by the fifth proclamation of the President, and shall place in Group 6 the Registration Card (Form 1) of each registrant in the new age group added by the sixth proclamation of the President. After carefully checking the date of birth of the registrant as set out in answer to question 5 on the face of the Registration Card (Form 1), the local board shall place each card in the group in which it belongs. The following table will assist the local board to determine the group in which each Registration Card (Form 1) should be placed:

Table of Age Groups

Group 6 Dec. 11 thru 31, 1942

Registrants born on or after July 1, 1924, and born on or before December 31, 1924; 18

and

those reaching the eighteenth anniversary of the day of their birth on or after January 1, 1943.

These regulations will hereinafter refer to Registration Cards (Form 1) or registrants as being in "Group 1," "Group 2," "Group 3," "Group 4," "Group 5," or "Group 6." Whenever such reference is made, it is intended that the determination of the group in which a particular Registration Card (Form 1) or registrant belongs will be made by using the foregoing table.

614.7 Reporting number of persons registered. (a) For the purpose of determining the total registration in the nation, the chairman of each local board before he adjourns the meeting on the day after registration day shall report to the State Director of Selective Service the total number of completed Registration Cards (Form 1) of registrants who registered within his local board area during the period of registration. All Registration Cards (Form 1) of registrants who registered in the local board area shall be counted without regard to the group to which they belong and without determining whether they will remain under the jurisdiction of the local board where they registered or will be forwarded to some other local board.

(b) As soon as possible after he receives reports from all the local boards within his State, the State Director of Selective Service shall advise the Director of Selective Service the total number of completed Registration Cards (Form 1) of persons who registered in his State during the period of registration.

614.8 Care in keeping Registration Cards. When the local board has taken all of the steps provided for in sections 614.1 to 614.7, inclusive, it shall place the Registration Cards (Form 1) in a safe place until the meeting provided for in section 614.21, being careful to keep each of the groups of cards separate.

DISPOSITION OF REGISTRATION CARDS RECEIVED AFTER THE CLOSE OF REGISTRATION AND BEFORE MEETING OF LOCAL BOARD

614.11 Registration Cards received from another local board. (a) When a local board receives a Registration Card (Form 1) after the close of registration and before the commencement of the meeting provided for in section 614.21, the clerk of the local board shall first check the place of residence indicated on line 2 of such card.

(b) If such place of residence is not within the local board area, the clerk shall immediately mail the card to the proper local board or State Director of Selective Service as provided in section 614.5.

(c) If the place of residence is within the local board area, the card shall be held for disposition under the provisions of section 614.22.
